

# Daichi, Japanese Conversation Course

Get ready for the up-coming AEC in 2015 ! Having foreign language skills means getting more career opportunities such as higher salary, rank promotion or even the chance to live abroad. So, you need to get ready for the future opportunities from now since language skills aren't built in a day !

This Course is designed for both Thais and foreigners who don't have basic skills of Japanese language and need to focus on conversation practice. The students will practice all skills of Japanese language with a Japanese teacher and will be able to communicate in daily life situations at a basic level by the end of the course.
